Sir:

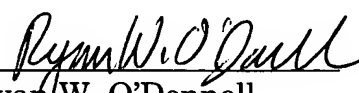

The above-identified application claims priority to U.S. Patent Application No. 10/154,716 (the “716 Application”), filed on May 24, 2002. **Applicant:** Shih et al.  
**Application No.:** Not Yet Known

Upon approval of the Petition for Revival, Applicants respectfully request that the claim for priority to U.S. Patent Application No. 10/154,716 be entered.

Respectfully submitted,
